

Sarix Enhanced 4CD

THE SAFEST CHOICE, BY DESIGN

The Sarix Enhanced 4CD is built to minimize security risks with a gap-free design that prevents contraband concealment and limits self-harm opportunities.

DURABLE AND ROBUST DESIGN

The Sarix Enhanced 4 Series Dome you know and love has been redesigned for long-term use in high-risk settings like corrections and healthcare facilities.

EXPAND WITH EASE

Easily add this camera to your existing setup with ONVIF S, G, T and M capabilities.

KNOW MORE, REACT FASTER

Accurately identify objects with Smart Analytics, and understand the on-site situation with integrated audio.

COMPLEMENT YOUR CORNER-MOUNTED CAMERAS

Provide your facilities with an additional camera that helps ensure safety without creating any risk.

TAKE YOUR CAMERA TO THE CLOUD

Leverage direct camera-to-cloud technology to improve camera performance, detection accuracy and automate camera management tasks.

Visit the [Sarix Enhanced 4CD](#) webpage to learn more.
